

# Vikan Microfibre Socket Mop 200g

Product Code 3700x

## Functionality

- **Improved results** - Provides the benefits of microfibre mopping with the functionality of a traditional socket mop
- **Cost Effective** – Can be laundered up to **50** times
- **Versatile** - Can also be used dry. Microfibre generates static electricity, so, both dirt and dust will be attracted to the mop when used without water.

## Product Specifications

- 30cm long, 4cm wide fabric strips.
- Weight 200g
- Fabric: 100% polyester microfibre
- Heavy duty polypropylene socket
- Commodity Code - 96039099

## Design & Ergonomics

- Suitable for all Vikan threaded handles

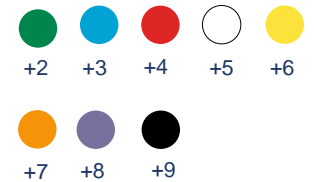

## Product Description

Vikan Microfibre socket mop, is a versatile mop that can be used both wet and dry. Fantastic performance in a variety of sectors such as food and beverage, food retail, general manufacturing, facilities management, pharmaceutical and HoReCa
