

PRODUCT NUMBER: 619
Camapur Comfort 619

The Camapur® Comfort 619 convinces due to its elegant fit, shape and excellent touch sensitivity. Despite the thin coating Camapur® Comfort 619 delivers high mechanical resistance. The polyurethane coating gives the glove a very good grip, even on wet and oily objects. The grey polyurethane coating and the washability ensure a longer durability.

Overview

Reference Number

619

Product Type

Gloves

Range

General purpose

Line

Precision work

Brand

KCL by Honeywell

Brand formerly known as

KCL

Industry

- Automotive and Part Manufacturer
- Building and Construction
- General Industry
- Logistics
- Maintenance
- Metal steel

Product Use

- assembly works
- electronics industry
- precision mechanics
- automotive and supply industry
- protection of products
- metal and plastics processing
- storage and commission works

Features & Benefits

Feature

washable marked according to size with different colours on the wristband

Benefit

excellent fit very good sensitivity very breathable good resistance to mechanical damage excellent grip when handling greasy and oily parts allows longer work sessions without fatigue

Technical Description

Description

Knitted polyamide seamless liner. Knitted wrist. Palm coated with grey polyurethane.

Product Technology

Knitted dipped

Gauge

13

Glove/liner color

White/grey

Coating Type

Polyurethane

Length

220-260

Thickness

1,0

Harmlessness

In conformity with European standards

Sizes

6,7,8,9,10,11

EN 388 - Mechanical Hazards Abrasion Resistance

Abrasion resistance	3
Cutting resistance (Coupe test)	1
Tear resistance	3
Puncture resistance	1

Certifications
