Product Overview & Guides

Uplift your washroom experience with the trusted and familiar Kleenex® brand, designed to deliver an unrivalled experience whilst supporting high hygiene standards in the workplace. For home-like comfort from one of the world's most loved brands, choose Kleenex® Ultra™ premium paper towels. Slimroll™ paper hand towels are kind to the skin for frequent hand drying and their compact footprint makes them ideally suited for space constrained, hygiene critical environments. The soft and gentle 2 ply paper towels help to show users that you care, while the Airflex™ Technology embedded in every disposable hand towel supports effective and efficient hand drying and high washroom hygiene standards. Show you care with user preferred, soft and gentle Kleenex® brand embossed sheets on this rolled paper towel. Food contact and European Ecolabel certified. These Kimberly-Clark™ hand towels are compatible with the one-wipe-clean Aquarius™ rolled hand towels dispenser in white (code 7955) or black (code 7956), a more compact and our most hygienic paper towel dispenser available. This dispenser is fully enclosed which ensures users will only ever touch the hand towel they are using when drying hands, and our touch free dispensers reduce the risk of cross contamination to further support hygiene standards. Efficiency is not compromised with Kleenex® Ultra™ Slimroll™ white paper towel roll. The innovative never-run-out replacement roll feature in the compatible Kimberly-Clark™ hand towels dispensers allows you to place a replacement roll in the system before the original roll has

finished, ensuring a smooth transition between rolls to minimise waste and ensure there are no gaps in your user's ability to maintain hygiene standards. These hand towel rolls feature compression technology for increased sustainability through reduced storage and transportation.

- Each Slimroll™ of paper towels contains 100 metres of 2 ply rolled hand towels, equivalent to 400 sheets of paper hand towel
- Show you care with user preferred, soft and gentle Kleenex® brand embossed sheets, in a roll for a seamless hand drying experience
- The most gentle Slimroll™ hand towel for elevated care in smaller premium washrooms with Airflex™ Technology in every sheet, resulting in superior absorbency which allows people to feel clean and fresh
- Food contact and European Ecolabel certified
- Compatible with the one-wipe-clean Aquarius™ hand towel roll dispenser in white (7955) or black (7956) to match the style of your washroom, a more compact and our most hygienic dispenser available
