### Product information

The A353 is an enhanced addition to the DermiFlex range. 3/4's are dipped with nitrile foam which gives more protection while maintaining breathability. An addition of micro dots to the palm area provides maximum grip.

### General Handling

The General Handling and Grip Glove category is still one of the most popular collections within Portwest's Hand Protection Range. A carefully selected range of coatings, including Latex, Nitrile, Polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

### Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacture methods are used in the production of Portwest's extensive range of Hand Protection products.
