

COSHH Risk Assessment

JANGRO GLASS & MIRROR CLEANER (750ml)

Product Code: BA027-75

PROCESS STAGE	POTENTIAL RISK	CONTROL MEASURES	ACTION REQUIRED
DELIVERY			
Packaged in a 750ml polythene container in a cardboard carton.	Risk of spillage if the container is dropped. Risk of injury to user if dropped.	Trained employees should handle only single containers at any given time. Take care not to drop the containers. Ensure that the cap is secure at all times.	Transfer containers to store immediately following delivery. Do not leave containers in areas where users of the building will come into contact with them.
STORAGE			
Store in original sealed container in a cool, dry place away from sunlight.	Minimal risk of spillage if caps are firmly in place. Caps are not child proof. Risk of spillage when pouring product into the trigger bottle. Keep out of reach of children.	Keep containers in secure storage areas. Store all containers below chest height to minimise risk of dropping. Restrict access to storage areas to authorised personnel.	Use oldest stock first. Make regular checks to ensure that storage area is clean and tidy. Make regular checks to ensure that containers are not split or blown.
USAGE			
Spray onto surface sparingly, then wipe off with a clean lint free cloth. VDU cleaning, apply sparingly to cloth and wipe area clean. For heavy soiled surfaces repeat application.	Avoid contact with eyes, may cause irritation to eyes and reversible local damage. Ingestion may cause discomfort. Prolonged contact may cause skin to dry.	Handle the containers with care. Ensure that the container is returned to store when not in use. Always read the manufacturer's instructions prior to use. Observe common sense precautions when handling chemicals.	Eye, skin and hand protection not required for normal use.
DISPOSAL			
Empty containers must be rinsed thoroughly and disposed of as normal waste. Residual stocks may be disposed of into a foul sewer (sluice) using plenty of water. Recycle all containers wherever facilities are available.	In case of contact with eyes, rinse immediately with plenty of water. After use rinse hands thoroughly. Skin contact wash with plenty of water. After ingestion give nothing or a little water to drink. Get medical attention if you feel unwell.	Wash out the container using plenty of water. Do not store any other material in the empty container. Ensure that the product is exhausted before disposal. Ensure that the product is disposed of in accordance with relevant local regulations.	Ensure that operatives are aware of location of First Aid facilities
