

# Glaze All in One

Machine Dishwash Capsules

**NOW**  
Phosphate  
free

Contains active stain remover and enzymes to cut through greasy food.

Phosphate-free; reduces impact on the environment.

Added rinse aid ensures a brilliant shine on crockery, glassware and stainless steel.

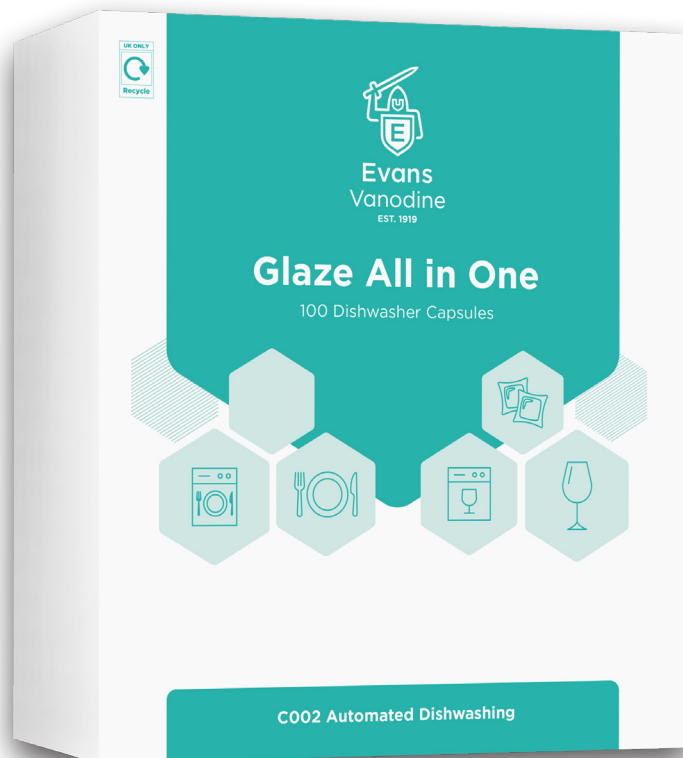

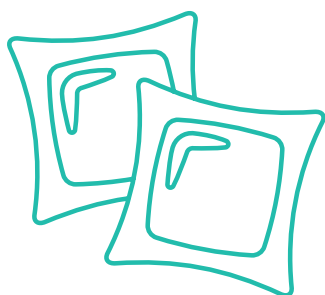

Protects against the effect of corrosion keeping glassware looking newer for longer.

Salt action will also clean machine during use.

Helps prevent limescale build up in machines.

Water soluble wrapper will dissolve in the wash; no need to unwrap.

Efficiently cleans on short cycles.

**New Pack Size**

5 x 100 Capsules - C002AEV
