

# Multi Purpose Barrier Cream

When dosing concentrate chemicals always use the recommended PPE, and always read the labels to check best practice for handling both the undiluted & ready to use solutions.

## Product Usage Guide

### Professional

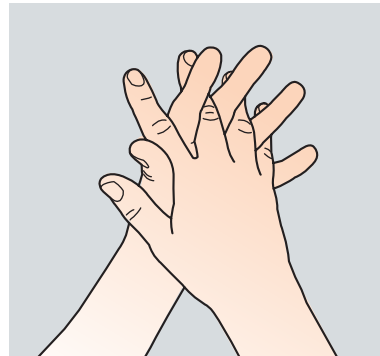

### BK202-45

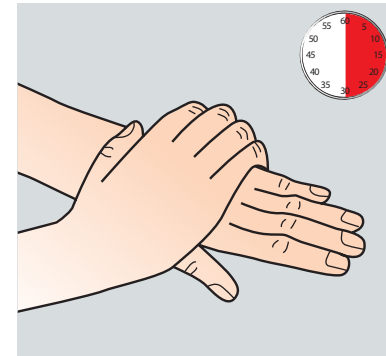

Instructions for use:

**1** Remove any jewellery from hands and wrists. Apply a pea sized amount to clean dry hands and rub in.

**2** Pay particular attention to sensitive areas e.g. around finger nails, broken skin and between fingers.

**3** Rub into hands within 30 seconds.

**4** If the product is over applied skin will feel sticky, but the excess can be wiped off.

Areas for use

#### Health & Safety

Please refer to relevant COSHH Safety Data Sheet

The regular use of barrier cream is not a substitute for the safe handling of hazardous materials and chemicals.
